To the Honorable Aleta Trauger,  
This letter is in reference to the July 2 Sentencing  
of the six defendants convicted of violating the Face  
Act.

My father in law Dennis Green is one of those  
facing conviction. Denny is a man who loves his  
family, community, & fellow man compassionately &  
Prolifically. Our children, three in all, & his 13 soon  
to be 14 grandchildren, are blessed to call him Grandpa.  
Please consider as you approach sentencing, the  
ramifications of an unjust and biased outcome & the  
effects it would have on our family to loose Denny's  
presence in our life for an extended period of time.

It grieves me greatly to have to talk to my children about Grandpa being away from us, for peaceably standing for the rights & life of the unborn. Please consider the difficulty in helping my children understand why their peaceable, loving, caring, & sacrificial, Grandfather might not see their birthdays, their high-school graduations, & even possibly their marriages.

Please use your position and given power to judge justly, I beg you, for the sake of my children, Ruthy the wife of Denny & his son Benjamin, who could not conceive life without him, please do not put Denny in Jail.

Honorable Judge Trauger,

I have heard of the ~~8x~~  
peaceful protesters, including  
Dr. Coleman Boyd, who will be  
sentenced on July 2, 2024. I  
respect that a jury has con-  
victed them. Abortion is a blot  
upon our nation and God hates  
the murder of these innocents.  
There are many situations that  
make bringing up children  
difficult, but we don't choose  
death as a viable solution  
or we'd all be in jeopardy.  
These pro-life Americans  
are not hardened criminals.

and the right to peaceful protest  
should be defended in this  
great land that God has  
blessed with so many freedoms  
- They have many children  
to take care of at home, so  
we plead for you to make  
a judgement based on  
Right and Truth and  
protect our nations most  
sacred institution, the family

Dear Judge Trauger,

Please show mercy toward Lenny Green and his co-defendants as you weigh the sentences you will hand down against them on July 2<sup>nd</sup> and 3<sup>rd</sup>.

Mr. Green is a good man acting righteously against an unrighteous society which allows and promotes the execution of those innocent of any crime: the unborn.

One news agency, in reporting the case, printed the following: "we do not have the right to pick which laws we will obey." Yet our nation is enriched by those who acted contrary to the law. but guided by a Bible-informed conscience.

Our Founding Fathers agonized over revolting against an unjust king or continuing to suffer under his tyranny. Just men and women conspired to set up an "Underground Railroad" thus acting against laws which tolerated and promoted the servitude of slaves of whom it was declared by Biblical principle: "All men are created equal." During times of war, our Nation wisely recognized "Conscientious Objectors" who refused to obey laws of military conscription, but proved their value in serving our Nation by other means.

Your Honor, I ask that you extend mercy to Mr. Green and the others by "Nullification." The refusal to defend the law based upon a perceived higher moral code: "You shall not murder."

Dear Judge Trauger, I ask that you extend mercy toward Lenny Green and his co-defendants as you carefully consider their sentencing scheduled to be handed down on July 2<sup>nd</sup> and 3<sup>rd</sup>, 2024.

In your wisdom and understanding I know that you will consider the ancient principle of ***Lex Talionis***: The punishment must fit the crime. The injury which the abortion clinic suffered in no way warrants the maximus sentence which the FACE Act and the other statutes carry: Ten and one half years in prison, and a fine reaching into hundreds of thousands of dollars.

All ancient code of law, especially The Law of Moses stipulate: "life for life, eye for eye, tooth for tooth..." The law of exact retaliation or reciprocal justice have been a part of all our laws and their punishment.

Since the Federal right to have an abortion was struck down two years ago by the Supreme Court's "Dobbs decision" what injury was committed by the defendants? Loss of time, loss of a day's wages by employees?

Please Your Honor weigh those "losses" against the innocent lives of the unborn being spared by the actions of some of the defendants. And the mothers of those saved children also being spared the lifelong agony of a guilty conscience. They were kept from killing the very children God gave them to be nurtured in their womb, and then lovingly raised into adulthood.

Thank-you for your service, and for reading and considering my brief letter.

To the Honorable Aleta Trauger

I write this letter with a heavy heart as I think about the possibility of Denny Green being imprisoned for trying to save the lives of innocent babies. I pray that you exercise good sound and righteous judgment for the crime he has been prosecuted.

It torments my soul to see repeat criminals, thugs, and other evil people commit crimes in this country without punishment. Denny did not commit a heinous crime. While they may have technically violated law, their actions are not worthy of jail or prison. They were simply standing for the innocent, trying to make a difference in this sick dark world we live in.

I pray that you find compassion and mercy in your heart as you make your final decision on the punishment Denny receives.

I ask that you show mercy toward Lenny Green and his co-defendants as you carefully weigh their sentences scheduled to be handed down on July 2<sup>nd</sup> and 3<sup>rd</sup> 2024.

In your wisdom, and understanding I know that you will consider the defendants' rights enshrined in the 5<sup>th</sup> Amendment of our Constitution: "...nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb."

The defendants have already been tried for the same offense, and were found guilty. Later the sentence was suspended and the record of their trial was removed from the court's record. Originally the 5<sup>th</sup> Amendment applied only to federal cases, but was extended to State Courts by later rulings handed down by the US Supreme Court.

Your Honor, I ask that you refrain from sentencing because the trial violated the defendants' rights against Double Jeopardy.

RE: Sentencing of Dennis Green - Scheduled for July 3, 2024

Dear Judge Trauger:

I am writing on behalf of a dear friend, Dennis Green. I believe that Mr. Green is scheduled to appear before you on July 3, 2024 for sentencing after conviction of the FACE Act.

I would urge you to show leniency to Mr. Green. I have known him for years and believe that he is a real asset to our community.

Dennis is a faithful husband and father to his family, and his extended loss would be devastating to them. He is also actively involved in the faith community in the Richmond area.

His recent actions related to the abortion clinic are no doubt because of his deeply held religious beliefs. He believes, as I do, that a new life is created at conception, with a unique DNA that has never existed before. To destroy that embryo is essentially to kill the most innocent and helpless among us.

Again, I would plead for your mercy and leniency in the sentencing that is to come before you.

Very truly yours,

They do not have criminal records and was only seeking to please the Lord and trying to save lives. Please consider that one of the life saves could turn out to be a prominent judge just like you. please consider. In the case of Denny Green, he has multiple children and a son that has special needs who needs him. He is a godly man and will not intentionally do anything against the law. I am writing to you to ask you to have great leniency as you sentence Paul Vaughn on July 2<sup>nd</sup>. You know that he did not block the entrance to the clinic. Greetings your Honor.

I am writing on behalf of Dennis Green along with the Gentlemen being sentenced with him.

I have known Mr. Green for 30 years.

Mr. Green has devoted his life to saving the lives of the innocent

I am asking on behalf of him and the other gentlemen that you would consider and give every leniency possible in their sentencing.

You as well as anyone know that they are not "criminals" that need locking up, their only "crime" (if it can even be called that) is caring for the defenseless and innocent lives of the pre-born.

Please, on behalf of these men and their families, extend any and all leniency that you are able to.  
Thank you.

Sincerely  
Tom

Dear Judge Trauger,

---

Please understand that praying and singing hymns in the hallway of an abortion facility is not a crime. The following are good people trying to save the lives of unborn children. I am a mom of two and also a Christian. Please let the following people go without having to spend even an hour in jail. Eva Edl, Heather Idoni, Eva Zastrow, Cal Zastrow, James Zastrow, Paul Place, Chet Gallagher, Paul Vaughn, Coleman Boyd, and Dennis Green. The Biden DOJ has come after them and they face up to 11 years in Prison.

The people of Tennessee will remember your righteousness. We will not see you as another judge that is politically motivated. These are not dangerous criminals. We appreciate your consideration in this matter and will pray for you.

Dear, your honor, Aleta Trauger

I am writing ask for great leniency for Dennis Green, who I understand will be sentenced on July 3, 2024

Dennis is a personal friend and brother who I attend Church with. I see him regularly loving and serving his family, wife and children, who are 12 in number! plus grandchildren. He is doing so only as a Father and Husband <sup>can</sup> do.

Dennis is a very nice loving, caring and upright man in the community and fills a very very important role.

It would be very sad to see him incarcerated for very long. So please, PLEASE I humbly ask again, show great mercy and leniency toward Dennis when sentencing. Please greatly consider his great dear Family... Wife, Children & grandchildren. "Blessed are the merciful, for they shall obtain mercy".

Thanks so much for your consideration.

Sincerely, Ben Esh
